There will be posters with the Currency Honor questions and answers. There will be displays of different types of coins, bills and types of currency collections. You are free to come learn and see all the different types of currency but to finish the honor at Chosen there are some very specific things that you will have to do before you come to Oshkosh. To get the honor at Oshkosh you will need to have question 8 done on your own. 8. Do one of the following: a. Collect at least five coins or notes from your country that is no longer in circulation. b. Collect a date series of coins from your country beginning with your birth year (expensive and rare coins need not be included). Here in the US it is easier and cheaper to do b. Most of the things that are no longer in circulation are in the hands of collectors. And we are bringing lots of Pennies so no matter if you are from the US or not, if you would like a "date series of Pennies beginning with your birth year" come on over! For example, if you were born in 2010 you would find one Penny from that year, P or D does not matter. And, you need to bring 10 extra coins, so you can trade with people from other countries to get your collection of 10 coins or notes from foreign countries. People coming from outside of the United States can do a or b. Some countries have changed to new currency making it easier to do a. It would also be good if you can bring ten more coins to trade with people from other countries also. |
